

# Brotherly Love

## House Rules

### I. Merits

- A. The following Paths have had their cost adjusted:
  - 1. Clan-based Paths are 0 merit points for those Clans
  - 2. The following Clan Discount Paths are in addition to those listed in BNS VTM:
    - a) Path of Cathari: Toreador (Volgirre)
    - b) Path of Death and the Soul: Cappadocian (All)
    - c) Path of Evil Revelations: Baali (All)
    - d) Path of Feral Heart: Gangrel (All)
    - e) Path of Heaven: Salubri (Healer/Warrior)
    - f) Path of Lilith: Cappadocian (Lamia)
    - g) Path of Orion: Gangrel (All)
    - h) Path of Typhon-Set: Follower of Set (All)
- B. Infernal Power may be acquired via Elder Daimonion in backstory, obviating the merit cost on a case-by-case basis. A list of available infernal masters will be maintained by the ST staff.
- C. Ghostly Retainer is good for 1 Wraith, a character can never have more than 1 permanent Wraith retainer. (This is a clarification, not a rules change)

### II. Disciplines

- A. Rarity
  - 1. In the Sabbat, Vicissitude and Obtenebration are considered common Disciplines.
- B. Mechanics
  - 1. Protean 2 and the Brujah merit Burning Wrath function together. The reference to “bare knuckle” attacks should be understood to be flavor text, not a binding mechanic.
